

REGISTRATION on our WEBSITE

**ARMP** = **A** for Association, **R** for Rheims, **M** for Mineralogical, **P** for Paleontological

Our Association has opened up a Website. The first part of it is dedicated to the show in Reims. We have planned a full web page to be made available for each exhibition, free of charges, for a whole year.

Its contents will be:

- \* Name & address of your company and/or you own name & address.
- \* your main business activity (1 to 4 words)
- \* your logo
- \* your E-mail address
- \* your Website
- \* your own text provided it concerns our exhibition
- \* 1 to 3 photos, preferably chosen amongst images of our stall in one of the last show in Reims.

Photos should be downloaded in JPG format and weight less than 80ko. If you were not able to resize your photos, we will do it, but we don't have great technical software at our disposal.

The Website address is: <http://armp-reims.com>,

Chapter: **La Bourse de Reims (= Reims show)**, section: **Qui expose ? (Who exhibits)**

You can visit the page directly with : <http://armp-reims.com/Expo80.htm>

You are entitled to refuse to appear on the website, or, on the other hand, to have texts and photos of your choice added. In other cases you are entitled to modify, rectify and delete information from your page in the website.

As for us, in order to maintain a high grade of the site, we reserve the right to reject anything that would not seem consistent with the spirit of the show.
